

Snooker League 2024 Grand Final

Cannington, Cannington and MORE Cannington

Cannington's Did You Put My 1 Up and Slayers last night created Snooker League history by playing the first ever all Cannington Grand Final at Cannington (where else?). And what a nail-biter it was. The 1 Ups just kept their nose in front for most of the night but the gallant Slayers never gave up and it came down to one black to determine the win or the match going into extra time. After a very tense number of minutes 1 Up star Ben Judge held his nerve to pot that black and take out the match 7 - 5.

Individual Excellence

This years top player was the Joker's Nee Chua with 67.86%, in Silver Medal position with 57.63% was G from the Shooters and third was 1 Ups Darren Gledhill on 55.93%. Ben Judge had this years highest break with a 78.
